

EBNOC Information for September 2020

Due to the latest government guidelines it has been necessary for us to make some changes to the organisation of our wraparound care for the first half of the autumn term 2020.

In response to the **Government's Guidance for full opening of schools** published on the 2nd July 2020 we must comply with health and safety law, which requires us to assess risks and put in place proportionate control measures which can be found in our Full Opening Recovery Plan and Risk Assessment published on the school website under the Information tab, September 2020.

Essential measures include:

- *a requirement that people who are ill stay at home*
- *robust hand and respiratory hygiene*
- *enhanced cleaning arrangements*
- *active engagement with NHS Test and Trace*
- *formal consideration of how to reduce contacts and maximise distancing between those in school wherever possible and minimise potential for contamination so far as is reasonably practicable*

How contacts are reduced will depend on the school's circumstances and will (as much as possible) include:

- *grouping children together*
- *avoiding contact between groups*
- *arranging classrooms with forward facing desks*
- *staff maintaining distance from pupils and other staff as much as possible*

Wrap around care - Early Birds and Night Owls (EBNOC)

We issued a survey to parents in July to gauge the level of provision that would be required.

We are able to offer three groups; one for EYFS and KS1, a separate bubble for KS2 and a separate group for the 'half hour line.'

It will be necessary to book in advance for the half term so that we can plan the number of staff required to supervise.

We are no longer able to use the Pre School for EBNOC as there is insufficient time to thoroughly clean it between groups of children. Therefore, we will no longer be able to provide breakfast so children will need to bring their own.
